

Jump Rope For Heart

Parents/Guardians: It is time for our annual Jump Rope for Heart event!!!

Who: All Patterson School Students and Staff

What: A fundraising event for the American Heart Association to help fight heart disease and stroke.

Where: In your child's live or virtual classroom.

When: Thursday, April 29th

Why: To get exercise and participate in community service.

How: Participation will be for **ALL** students who attend class (hybrid and virtual) on Thursday, April 29th.

If your child is a student who is hybrid, they received an envelope at school. If your child is a virtual student, you can pick up an envelope at school between 9:00-12:00 (every day except Wednesday).

Participation in Jump Rope For Heart is **FREE**. You **DO NOT** need to make a donation in order to participate. But, if you would like to make a donation to help fight heart disease and stroke, donations can be placed in the envelope and returned to school by April 30th. You can also register for the event or make donations online at www.heart.org/KHC. If students would like to raise money for the event, we are asking that they do so safely and not go door to door. If your child is raising money on-line, they must have your permission to do so.

If it is easier, you can also log on to www.heart.org/KHC and do the following:

- Type in Patterson
- Look for "Philadelphia" (it should be #5 on the list)
- Click sign-up and create a profile

If you have any questions, please contact me at 215-400-8190.

Thank you,
Mrs. B.
